

# Sibling Ski Camp Packing List

The following list has been prepared for your convenience to help you plan for camp. While it is acceptable to pack more than is listed (within reason) please try not to omit any items, as we want to ensure campers are prepared for the weather and have enough clothes for the weekend.

It is not necessary to buy a lot of new items for camp – if your camper does not have appropriate ski clothing please communicate with the Program Manager, as The Goodtimes Project is prepared to supply any camper with the necessary skiing clothing and accessories.
